TOPPS STADIUM CLUB CHROME® UEFA CHAMPIONS LEAGUE 2025/26

Built around Stadium Club's distinctive photography-led identity, Topps Stadium Club Chrome UCL 2025/26 showcases the finest imagery from the UEFA Champions League season on premium Chrome technology. Across a 100-card Base Set, a vibrant Refractor rainbow, imaginative inserts, rare short prints, autographs and authentic stadium-seat relics, the collection captures the competition's biggest stars, exciting rookies, legendary names and unforgettable moments. Whether collecting standout photography or hunting the rarest cards, Stadium Club Chrome brings collectors closer to the action, emotion and atmosphere of the UEFA Champions League.

Collecting begins with the 100-card 'Base Set', featuring rookies, current stars and legends through bold, captivating imagery. The insert lineup continues the product's focus on photography and storytelling. 'Say Cheese!' captures players enjoying lighter moments on and around the pitch, while 'That UCL Feeling' celebrates memorable goals, records, victories and celebrations. 'Debut Shots' highlights rookies and young stars through photography from their first UEFA Champions League appearances, while 'Cup Hunters' showcases active players pursuing the competition's most iconic prize.

Collectors can also find a range of rare and limited cards. 'Beam Team' spotlights leading players and legends, 'Postcard' pairs stars with imagery inspired by their club's city, and 'Warp Speed' showcases players through a bold, retro-inspired design. 'Star Attitude' is reserved exclusively for legendary names, while 'UCL Final Stadium' celebrates Budapest's Puskás Aréna, the venue for the 2026 final.

The autograph lineup includes 'Chrome Autograph Cards', photography-inspired 'Behind the Lens Autographs', 'Dual Autographs' and 'Classic Kits Autographs', which celebrate legendary players alongside their most memorable shirts.

'Stadium Spirit Seat Relic Cards' connect players and legends to the places where UEFA Champions League history is made, incorporating original pieces of club stadium seating. 'Stadium Spirit Autographed Relic Cards' elevate the chase further by combining these distinctive relics with player autographs.

Different formats offer their own exclusive collecting experiences. Value Boxes introduce exclusive 'RayWave' and 'Mini-Diamond' parallels, while Hobby Boxes feature 'Electric Charge' parallels and the Hobby-exclusive chapter of 'The Grail', a nine-card continuity set celebrating Zlatan Ibrahimović's career.

More than a collection of trading cards, Topps Stadium Club Chrome UCL 2025/26 captures the UEFA Champions League through the images, players, stadiums and moments that define the competition.
